

# PRACE Cookie Policy

---

Version 3 March 2020

## 1 Scope of this Cookie Policy

---

This policy describes the policies and procedures when cookies are placed on your device in the context of the access to the website/s with the following domain/s (summerofhpc.prace-ri.eu, events.prace-ri.eu, training.prace-ri.eu, materials.prace-ri.eu – hereafter the “PRACE Website”).

For the purpose of this policy, the following terms shall have the following meaning:

- “Cookie” or “Cookies” are text files, containing small amounts of information, which are downloaded to your browsing device (such as a mobile device or computer) when you visit a website, and that may convey information about the use of the PRACE Website.
- “Persistent Cookies” refers to cookies that remain on a hard drive after a web browser is closed to be used by the web browser on subsequent visits to or uses of the PRACE Website.
- “Session Cookies” refers to cookies that are temporary and disappear after a web browser is closed.
- “Third Party Cookies” refers to cookies that another party places on your web browser when you use the PRACE Website.

This cookie policy is to be read as consistent with the PRACE Data Protection Policy which can be found here: <https://prace-ri.eu/legal-corporate/data-protection>

### 3 How long are Cookies stored on your device?

---

The length of time during which a Cookie will be stored on your browsing device depends on whether it is a “Persistent” or “Session” Cookie. Session Cookies will only be stored on a device until the web browser is closed. Persistent Cookies remain on the device after you have finished browsing until they expire or are deleted.

### 4 How can you disable Cookies placed on your device?

---

You can usually use the web browser to enable, disable or delete Cookies. To do this, follow the instructions provided by the web browser (usually located within the “Help”, “Tools” or “Edit” settings). You can also set your web browser to refuse all Cookies or to indicate when a Cookie is being sent. Please note that if you set your web browser to disable Cookies, you may not be able to access secure areas of the website/application, other parts of the website/application may also not work properly and some PRACE Website features may not function properly. You can find out more information about how to change your browser Cookie settings at [www.allaboutCookies.org](http://www.allaboutCookies.org).
